No worries, Jenny.

No, your witness does not need to participate on Monday. The Commission will, however, need the information for counsel and any witnesses, as found on the spreadsheet. Please provide this information in advance of the prehearing conference.

Thank you, and I look forward to speaking with you on Monday!

Thank you for the reminder, Jerisha!

As ORS has conducted several of these virtual hearings, does our witness need to participate on Monday? Or would it be sufficient for just me to participate in the trial run? For the hearing, Mr. McGill and I will both be together at the office to conduct the video conference with our IT guru on standby.

Thank you!

Subject: Docket No. 2020-77-T: Virtual Hearing of Thompson & Webster d/b/a Two Men and a Truck of Augusta

Dear Parties of Record:

In light of the COVID-19 pandemic, and in order to conduct business as safely as practicable, the Commission will conduct a virtual hearing for the application of Thompson & Webster d/b/a Two Men and a Truck of Augusta in Docket No. 2020-77-T.

To prepare, the Commission requires a test of each person's virtual connection and suggests holding a test run during Applicant's prehearing conference, which is currently scheduled for Monday, April 27, 2020 at 10:00

am. (Take note that, customarily, only counsel participates in the prehearing conference, but the test run will require the participation of counsel and witnesses.)

Please complete the attached spreadsheet. You may submit one spreadsheet per party but please ensure it includes the information for each attorney and witness who will appear at the hearing.

Prior to the test run, Randy Erskine will email each person an invitation to access the meeting via WebEx. (WebEx requires the use of a camera and a laptop or computer.)

If there are any issues or concerns regarding this virtual hearing, please feel free to bring them forward.

Thank you in advance for your cooperation! Take care and stay safe.

With warm regards,

Jerisha Dukes, Esq.
